

Headteacher's Message

Dear Parents,

Welcome to this week's newsletter.

As you will be aware, building work has begun on the school grounds for the new Resource building. We have worked really hard with the contractors and Slough Borough Council, to try to minimise the disruption to our parents but I know that it has not gone as smoothly this week as we had hoped. With that in mind, from Monday, we will put the following measures into place in conjunction with Morgan Sindall, the contractors:

There will be access into the school from a gate near the Children's Centre building to try and alleviate the bottleneck which is happening around the Year 1 area. The contractors are going to lay matting across the field which will help wheelchair/pushchair access.

There will be signage for pedestrians which will hopefully help improve the flow of people around the car park while keeping them safe.

Staff will not be able to use the visitors' car park. They will need to use the staff car park or an alternative arrangement we have in place at the Five Points.

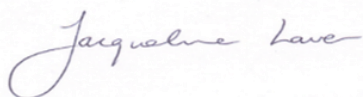

I would like to thank all those parents who have provided feedback to the school and if there is anything that you would like to inform us of, please email jo.mcGovern@prioryschool.com and she will communicate directly with the contractors.

Thank you for your patience

As you will be aware, Year 6 had a very enjoyable and successful trip to see the Lion King in London this week. We have provided you with relevant information in light of recent events and staff have been looking at these issues in their PSHE lessons. All of the advice that we have received is to continue as normal and our Year 1 children will be going to the Tate Gallery next week.

All of the children have had photos this week and it has been a very busy time.

Thank you for your continued support and have an enjoyable weekend.

Jacqueline Lane

School Photographs

As you know school photos for individuals, group and siblings have been taken over the last couple of days.

These are now in the development process and this should take 7 – 10 days.

As soon as photos are available, a contact sheet will be couriered to us for distribution and this will be issued to parents with login details to order your photographs online and arrange direct delivery.

All the children behaved really well and we look forward to seeing some smashing photos!

Years 3/4 Gate

There are a number of parents at the end of the day who are waiting in the Library garden near Mrs Jefcut's office. Please could we ask parents to wait behind the gate on the KS2 playground so that the children in Year 3 can exit through the classroom doors and directly onto the KS2 playground. Could we also remind parents that they cannot use the toilets in Year 3 before or after school. Thank you for your cooperation.

PE News

During the school holidays, some of our Year 5 children represented the school at the London Marathon Daily Mile event. The children showcased our school in such good light and completed the iconic last mile of the London Marathon. We are extremely proud of The Daily Mile here at Priory and the way it sets up our children to lead healthy active lifestyles. Well done to all those who were involved!

Sport's Week

This year's Sports Week is the week commencing 19 June. Children will need to wear **plain house colours and trainers** (no football shirts allowed) and will compete in houses in KS2 and classes in KS1. The children who have their events in the morning will need to come to school in their PE kit and house t shirt. Dates and times are as follows:

Year Group	Date	Start Time
Resource	Monday 19 June	9:30am
Years 1&2	Monday 19 June	1.45pm
Nursery	Tuesday 20 June	9.30am
Years 3&4	Wednesday 21 June	9:30am
