

# Peek at the Week

Friday 25<sup>th</sup> May 2018

Dear Parents/Carers,

Well done to all the children on completing all their assessments this week. They have all worked very hard and enjoyed a nice treat this afternoon.

Thank you for sending in junk modelling materials this week. The children have been very creative with their designs for the giant's chair in our DT lessons.

Next half term our topic will be **The Seaside**

In English we will be creating seaside poems. We will also be reviewing the grammar, punctuation and spelling rules that have been taught this year.

In Maths we will be working on problem solving using all the various strategies we have covered in maths so far and also completing some work on shape.

## Activities to try at home

There are some fun activities to support your child's learning in Maths on the top marks website.

<https://www.topmarks.co.uk/maths-games/5-7-years/times-tables>

We hope you have a great half term break.

The Year 2 Team
