

# PRIORY RECEPTION

## Peek at the Week

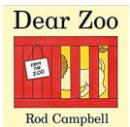

Friday 29th June 2018

Dear Parents/Carers

The children have had a busy week writing about all the exciting things they saw at London Zoo last week. To support this writing we have been reading the book *Dear Zoo* by Rod Campbell, which the children have enjoyed, and then around that there have been many exciting animal activities such as making an elephant from a paper plate.

We will also be making animal biscuits on Friday!

In addition, this week in Reception, the children have been busy preparing for sports day next Tuesday 3<sup>rd</sup> July. This event will begin at 10am and will last about an hour. Please send your child into school wearing their PE kit, which can be plain white t-shirt or house colours, they can stay in these clothes for the rest of the day.

**PLEASE send in a water bottle, as the weather may still be warm.**

The children have continuing with preparation for year 1 and have adapted very well to their new routines, we will continue with this transition until the end of the term. Please remember to read at home every day as this will also help your child prepare for Year 1.

In phonics, we continue to review both phase 2 and 3 sounds to consolidate our learning.

Next week, we will be reading the book '*Mr Gumpy's Outing*' by John Burningham. Our activities will be planned around the animals from the story and what happened, when they went out onto the river together.

**Reminders: Please sign up to sponsor the children for Race for Life on Friday 13<sup>th</sup> July any support will be appreciated.**

Please apply sun cream before school if the weather is warm and a sunhat if needed.

Sports Day will be **Tuesday, July 3<sup>rd</sup>** at 10:00am. Please come directly to the school field to support your child on.

**TOP TIP:** Can children talk to you about the number sentences they have been writing this week at home? This could include the words addition, subtraction, plus and minus.

Have a great weekend!

The Reception Team ☺
