

PRIORY YEAR 2

Peek at the Week

Friday 29th June 2018

Dear Parents/Carers,

This week children in Year 2 enjoyed a visit from the environment artist Tim Pugh. All classes enjoyed creating environmental artwork inspired by his work using a variety natural materials. See the article in the school newsletter and take a look at Tim's website to view some of his work. <http://www.timpugh.co.uk/>

In English the children have created their own story based on our book, The Lighthouse Keeper's Lunch by Ronda and David Armitage. Next week we will begin a unit on report writing.

This week in Maths the children have worked on solving different word problems using all four operations. Next week in Maths we will be working on calculation and number facts, including rounding and estimating.

Sport Day:

Wednesday 4th July at 2pm. Children can wear their PE kits into school, including a plain, white t-shirt or a plain t-shirt of their house colour and black PE shorts. Please come directly to the school field to cheer your child on!

The children have a reading book, spellings to learn and Mathletics tasks have been set.

DIARY DATE

As part of an Enterprise Project Year 2 would like to invite you to our 'Breakfast café'. The children will be making and selling a selection of breakfast treats and all profit will go to charity. We hope you can come along and support this event.

2J and 2W – Wednesday 11th July 9am

2M and 2J – Friday 13th July 9am

Have a great weekend in the sunshine!

Activity to try at home

Try the topmarks website and their money section. <https://www.topmarks.co.uk/maths-games/5-7-years/money>

Create a shop: Ask the children to use coins to make up varying amounts to buy their toys and ask them work out change.

The Year 2 Team
