

PRIORY YEAR 2

Peek at the Week

Friday 8th June 2018

Dear Parents/Carers,

The children have been enjoying the start of our new topic the **Seaside** this week.

In English the children have started to explore our new class text, *The Lighthouse Keeper's Lunch* by Ronda and David Armitage. We predicted what we thought would happen in the story and finished reading the book as a class. We will continue to look at this book over the next few weeks. Our focus this week will be on learning a version of the story and exploring the characters and main events.

This week in Maths the children have recapped a lot of different topics, including time, multiplication and division, addition and subtraction and rounding. We have started to tell the time to the nearest 5 minutes as well as revising o'clock, half past, quarter past and quarter to. This week we will be working on position and direction.

In the next couple of weeks the children will have the opportunity to work with an environmental artist to create pieces of art. For this it would be helpful **if children could bring in natural materials such as sticks, shells and rocks** (preferably no leaves as they will not last as long!). Thank you for your help!

The children have a reading book, spellings to learn and Mathletics tasks have been set.

We hope you have a great weekend!

The Year 2 Team

Activity to try at home

- Practise telling the time to the nearest 5 minutes this weekend.
- This interactive clock might help!
