

# PRIORY NURSERY

## Peek at the Week

Issue No: 2

Monday 1st October 2018

Dear Parent/Carer

What a fantastic first full week the children have had! They have coped really well with their full sessions and have got fully involved with all the different activities the Nursery has to offer.

Last week the children enjoyed decorating 'The three billy goats' for our display board; they used a variety of materials such as paint, tissue paper and pens. The writing/mark making area was also very popular with some of the children who wanted to use the pens and pencils to create pictures for the teachers and to take home. Some of the children are beginning to make friends and were able to practice their sharing and turn taking skills whilst playing in the communication/literacy zone. They enjoyed exploring the tuff tray which had been filled with sand, pirate ships and gems; whilst creating different scenarios as a group and taking turns to use the pirate ship. In the maths zone the children were able to explore a variety of sensory materials in the tuff tray, they were interested to see what happened to the materials when they used some of the tools such as: the funnels, colander and different size containers.

Please can you ensure your child has a spare set of clothes at Nursery in case they get wet/dirty or have an accident. Also, it would be really helpful if your child had shoes they can put on and do up themselves e.g. velcro not laces!

If you have any cardboard materials suitable for our junk modelling activities please could you send them into nursery. Items such as cereal boxes, egg cartons, kitchen rolls etc would be perfect!

On Thursday during show and tell we will be talking about our families, the children may bring in photos or drawings of their families if they wish.

**Top Tip** – Support your child putting their shoes on independently showing them which is the left/right.

Thank you! The Nursery Team ☺
