

# PRIORY NURSERY

## Peek at the Week

Issue No: 5

Monday 29th October 2018

Dear Parent/Carer

We hope you and the children all had a lovely half term. It was lovely to see so many happy faces today and we are looking forward to hearing the children's stories about what they have been doing.

Before the end of term the children thoroughly enjoyed building and constructing in the maths zone using the junk modelling items which some parents had bought in, thank you. They used various resources to stick pieces together and create their artwork. They also enjoyed exploring the Mr Potato Heads, the children were discussing which body part goes where and how many of each body part they needed.

In the literacy/communication zone the children were able to explore the role play costumes; they attempted to put the costumes on themselves and created their own stories with their friends. We also had the opportunity to look at some different ICT equipment, the children enjoyed using the walkie talkies whilst mark making on the clip boards.

In the art zone the children were using their imaginations to create their own 'bus' using chairs and then going on an adventure. The tuff tray was also filled with purple water and bubbles which the children enjoyed exploring whilst role playing with the pirates and ship.

### NURSERY CLOSED

Please remember that nursery will be closed on WEDNESDAY 7<sup>TH</sup> NOVEMBER for parent consultations. If you have not yet booked an appointment please see one of the nursery team.

**Top Tip** – read stories with your child reinforcing which way the book is held, which way the pages are turned and talk about what is happening in each picture.

Thank you!

The Nursery Team 😊
