

## Pupil Premium: Using it to make a difference at Priory School

**2018-19**

### What is Pupil Premium?

Pupil Premium is additional funding to help schools to diminish the difference between children from low income, and other disadvantaged families, and their peers. If a child has been eligible for free school meals (FSM) at any point in the past 6 years or has been looked after for one or more day (Looked After Child), the school receives an amount per head within their budget. A provision is also made for children who have a parent in the armed forces.

We use our analysis of school data and end of Key Stage data to decide the best way to support these children in attaining and making progress in line with their peers.

Priory school received **£265,000** in 2018-19 and has 168 children (Autumn 2017 census) who are eligible to receive it.

Action	Amount allocated to the intervention / action (£)	Is this a new or continued activity?	Targeted PP Group	Intended outcomes.	How will this activity be monitored, when and by whom? How will success be evidenced?
1. Review of roles to incorporate PP responsibility in to the role of the Deputy Head Teacher in charge of Behaviour and Well-Being.
