

PE and Sport Premium 2017-18

School Name: Priory School

Subject Leader: Andrew Watson

**Total PE and Sport
Premium Allocation:**

£24,850

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport you offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Other

£0	The Daily Mile Morning and lunch time clubs	Students to be physically active in school, Health benefits of being more active. Students given the opportunity to be active before and during the school day	Increased fitness levels. In the opinion of the PE lead. Students feel more able to concentrate in lessons. Students fitness and confidence increased due to exposure to sports/activities before school and during the school day.
TOTAL SPEND	£24,850		

For the 2017 to 2018 academic year, there is a new condition requiring schools to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations. Priory have 35 children in this category. As a result, these children are given additional lessons.

*Affiliation cost shared across different areas.
