

# PRIORY RECEPTION

## Peek at the Week

Friday 11<sup>th</sup> January 2019

Dear Parents/Carers,

We all hope you all enjoyed the Christmas half term, the children have been very expressive about their holidays during circle times.

This week, we have focused on the book "Who's In the Shed" and in Maths we have been continuing with recognising numbers 1-20 and creating star constellations.

Next week, we will be focussing on the book "I Looked Through my Window" as our Main Book and "Aliens Love Underpants" in line with our termly theme of Space. In Maths, we will continue with recognising numbers up to 20 with a space theme as well as reckoning one more and one less than a number.

We will focus on reading and writing the sounds 'c', 'k', 'ck' and 'e' in Phonics. We will continue to recap on the previously learnt sounds, so whilst reading with your child, please encourage them to recognise initial sounds.

Thank you to all parents who spend time reading with their children. This is very important as it will help build their confidence with books. Please can we remind ALL parents to read with their children as much as possible.

**The new lunch menus online for the Spring term in now available online, so please ensure you pre-order your child's lunches on ParentPay beforehand.**

### Reminders:

Next Friday 18<sup>th</sup> January Reception will be taking part in weighing and height measuring.

**Please bring your** Priory School book bag and home/school diary every day with the high frequency words and reading book as this is an important part of the learning. The home/school diary is an alternative way to communicate with staff and promote a home/school link.

Please can we remind parents that the children will be having **PE** every Tuesday morning.

Our new 'Word of the Week' will be:

Earth

We hope you have a good weekend, the Reception Team ☺
