Dear Parent/Carer

Re: Inclusion Team

I am writing to let you know about some new developments at Priory. We have put together an Inclusion Team in order to work on the areas identified in our Ofsted Inspection in March this year and also to develop our work in the areas of mental health and well-being.

We are in the process of creating a leaflet giving all of the information about the team and what they do, which will be on our website soon. A member of the team may contact you specifically if they are working with any of your children and they are also available for you to contact them directly if you have any concerns.
