7th July 2021

Dear Parent / Carer,

This week you will be receiving your child's end of year report via the SIMS Parent App. Our teachers have worked very hard to write these reports to ensure that they accurately reflect your child's learning, progress and development over this academic year.

As you are all too aware, the Covid-19 pandemic has had a significant impact on education over the past year. In some cases, where curriculum coverage has had to be reduced, this has affected pupils' attainment and progress levels. As such, if your child has not been assessed to be at the attainment level you would have expected, this may well be a direct result of the school closures in the Spring Term. If you are concerned about your child's reported attainment, please arrange to discuss this with their class teacher in the first instance.

All parents are invited to discuss the contents of their child's end of year report with their class teacher if they so wish. Please use the year group email address if you would like to arrange a brief TEAMS/phone meeting with your child's class teacher during the week beginning 12th July.

Kind regards,

Mrs Aimee Proffitt
Deputy Headteacher
