Dear Parent/Carer,

As many of you will be aware from previous newsletter items, we have noticed a worrying number of children not wearing their seatbelts or not wearing them correctly when travelling by car. In order to further address this concern we are going to run a campaign to promote correct seatbelt use and we would like help from our pupils and parents.

## **Poster Competition**

We are inviting pupils and parents to design a poster which we can use as part of this campaign. It should be eye catching and informative but most of all it should remind everyone to wear their seatbelt. The competition will be split into several categories: Nursery & Reception, Y1&2, Y3&4, Y5&6 and Parents. The winners from each category will have their poster displayed around the school site, in the local community and on the school website and they will also receive a book voucher.

Finished posters can be given to class teachers or any member of school staff and the deadline for entries is 4pm on Friday 6<sup>th</sup> November.

You will find lots of useful information to help you with this task on the website for Brake - the road safety charity.

We are looking forward to seeing lots of fantastic posters!

Kind regards,
