Apply online at www.slough.gov.uk/admissions

IT IS IMPORTANT THAT YOU TAKE TIME TO READ THIS INFORMATION WHICH OUTLINES THE APPLICATION PROCESS.

Dear Parent / Carer,

If your child was born between 1 September 2009 and 31 August 2010, and you live in Slough, you can now apply online for a transfer from primary (Year 6) to secondary school (Year 7) for September 2021. The Citizen's portal on the council website is now open to receive applications. There are clear and simple prompts to guide you through making your application.

You will also find the *Starting Secondary School* booklet on the council website. The booklet contains a wealth of information to help you choose the right schools, make an application and understand how the application process works. It provides a profile of all of Slough Secondary schools alongside information about admission arrangements.

Closing date to apply 31 October 2020

Changing your preference or changing the order after submitting an application

You can make any changes to your application before the closing date. Ordinarily, changes made after the closing date will not normally be considered as an on-time application.

The resultant effect however, of Slough grammar schools delaying the entrance selective test (11+) from September to October because of the outbreak of coronavirus will mean that children will not know the outcome of their entrance test until after the deadline for submitting secondary applications (31 October 2020).

In order to accommodate this exceptional circumstance, you will be permitted/able to change your preferences or amend your preference order up until 10 December 2020 without your application being considered late – as long as it was initially submitted before the national closing date.

What happens if I miss the closing date?

For the avoidance of doubt, all applications submitted and received after the closing date (31 October) will be deemed as late applications. They will be considered after those that are received on time and after the first round of offers have been made.

How do I apply?

The easiest way to apply is online. Go to slough.gov.uk/admissions and follow the instructions on screen. If you do not have internet access at home you can still apply online at your local library or at the council offices.

Who can make the application?

Applications must be made by a parent or carer who holds legal parental responsibility for a child. Only one application should be made per child.
