13th November 2020

Dear Parent/Carer,

In year 1 this term we will continue to spend time outside to help develop children's learning and give them a mixture of experiences and activities. However, the weather will be getting colder and wetter, so please may we ask that children bring in a pair of wellies to school that they can wear when they are going outside. These can be left on their school pegs.

Also, please can we ask that children wear a jumper and a coat to school every day, so as to ensure that they are warm. All children will be spending time outside every day, so a warm coat will be required. There may also be painting and mud activities outside, so please send a coat that you are happy to get a little bit messy, or is easy to wipe down and wash.

In line with government guidance the year 1 classrooms will have their windows open throughout the day to provide adequate ventilation. This may mean that the rooms may get a bit cool at times, so please ensure your child brings a jumper or cardigan to school.

All items brought to school will need to be labelled with your child's name and class, so if they are misplaced they can be returned. If you need help with this your child's class teacher will be happy to write names in for you, please feel free to ask.

Thank you

Miss Wilson
