

Butterflies

Butterflies: Ready to learn

Amount of children: 17

Staff: -Class teacher -HLTA – x 5 LSAs

Needs of children:

This class is made up of those pupils who are more confident in the routine of their day. This group has a structure with carpet sessions and group activities where the children are supported and encouraged to have a go themselves. Again, communication is a huge focus in this class. These children need support in building up their attention and focus. The class has an attached outdoor area and the children also frequently visit the garden as part of their timetable.

Strategies used:

Makaton; visual timetables; TACPAC; PECS; sensory play and sensory stories; TEACCH; O.T equipment; daily O.T activities; recording devices; sensory circuits; SALT; Yoga; Phonics interventions; carousel learning activities; feelings check in; Colourful Semantics.
