

Caterpillars

Caterpillars: Early Years class

Amount of children: 15

Staff: -Class teacher –HLTA – x 7 LSAs (including X2 1-1 adults).

Needs of children:

The children in this class are our younger pupils. Many of them need support in learning the routines and boundaries of their school day. There is lots of support based around toileting and independent managing of transitions. Communication is a huge focus in the class and the activities are designed around engaging the children and developing their attention and participation. The class has an outdoor area which is used regularly for movement breaks.

Strategies used:

Makaton; visual timetables; TACPAC; Attention Autism; PECS; sensory play and sensory stories; frequent movement breaks; regular time in the Sensory room; Yoga; carousel activities; O.T equipment; Colourful Semantics; Yoga; Sensory Pre-writing; First Words; nurture and self-care activities e.g. teeth brushing.
