

# Dragonflies

## Dragonflies: Working towards independence

**Amount of children:** 13

**Staff:** -Class teacher (job share, one is also our ELSA) –HLTA – 1x SSA– x 3 LSAs (2 LSAs are part time)

**Needs of children:**

The children in this class are working towards both academic and social targets. They have a lot of table-top time during their day and have a lot of adults to model and support during learning activities. This year, more time is being given to focus on developing the life skills and independence for these children.

**Strategies used:**

British Sign Language (for a specific child); Makaton; visual timetables; emotional check-ins; SALT; social skills practice; sensory play; social skills practice; Attention Autism; O.T equipment; PECS; Shape Coding; Lego Club for specific pupils; 1-1 Art Therapy for a specific pupil.
