

# PRIORY YEAR 2

## Peek at the Week

Friday 23<sup>rd</sup> October 2020

Dear Parents/Carers,

In English, the children have been working on describing a firefighter. Each child has been working on their individual targets to improve their writing. They have also been completing independent writing tasks, which include looking at a picture as a stimulus to write.

This week in Maths, the children continued to practise addition on a number line, they are now becoming more confident with this method. In addition to this, they have been working on their fluency skills – learning their two times tables and counting forwards and backwards from a given number.

Next half term we will be starting our new topic, as part of our topic the children will be studying castles. *Please see topic homework given.*

This week the children have also enjoyed celebrating Black History Month. They learnt about Rosa Parks and Mae Jemison's life. They created a piece of writing in line with their aspirations and also completed pieces of art work.

The children have worked exceptionally well this half term and deserve a well-rested break. We would like to use this opportunity to thank you for your support.

### **Homework over half term:**

- Project homework
- Timetable Rock star (worksheet)
- Addition practise
- Phonics
- Reading book

We wish you a restful half term!

The Year 2 Team
