

Reception Home Learning

Please find attached the Reception home learning activities for the week commencing Monday 11th January 2021.

Each day, your child's class teacher will host a meeting on Microsoft Teams at 9.00am to explain the home learning for the day to your child. If you have any difficulty accessing this please email the school office.

During our time away from school, we will be filming live lessons and uploading these to the website. These 'live' lessons are for

- English
- Maths
- Phonics

Teachers will be available throughout the day via email to support your child in their home learning, but please be aware that due to teaching commitments, it may not be your child's class teacher who responds. . The Reception email address is Reception@priorschool.com. Please send any photos of your child's home learning to this email address for a teacher to respond to. If you have any questions relating to the home learning, please also use this email address.
