

Dear parents of Glowworms,

I hope you are all well.

In the home learning pack, you will receive a weekly challenge list document and I suggest daily two of them, depending on the engagement mood of your child.

Please also find some PECS symbols and some Goldilocks symbols in case you want to support your child's communication. You can print and cut the pictures or you can leave them virtual and they can point at the symbol they need.

Do not hesitate to contact me on Periklis.Karachalias@priorschool.com for any information and please join our 8.30 am daily meeting on TEAMS.

Kind regards,

Peris Karachalias
