

Music

1. We are planning for Y4 to be involved in the “Biggest Sing” run by Young Voices. This week we will be learning the signs to join in with the chorus to the song Lovely Day. You can find it here: <https://video.link/w/nUHCb>
2. This half term, we are also going to be finding out about music in film and TV programmes.
 - Why do you think we have music in the background of films and television programmes?
 - What effect does it have?
 - What would it be like to watch without it?
 - Please write down your ideas to share with Mrs Shaw via your Y4 email address. Thank you 😊
