

PRIORY YEAR 2

Peek at the Week

Friday 30th April 2021

Dear Parents/Carers,

We have had a lovely week learning more about the local area and features of Slough. The children have used Google Maps to find features and investigate maps. They were able to find where they live as well as places such as Windsor Castle and Legoland. Smith's toy store was one of the most popular places that the children like to visit! Following this the children made their own maps and wrote about Slough.

Here's a reminder of Mrs Gaunt's Reading Challenge

As you know, all the teachers love to read and we want to know about all the exciting places that you find to read. Maybe you can make a den and read in there. Perhaps you read to your pet cuddled up on the sofa or out in the garden. Or it could be that you have your own special place to enjoy reading. We would like you to take a photograph of you reading a book in the most exciting, interesting or unusual place and then send it in to school to add to our display. The teachers will be doing the same thing so we cannot wait to look at all the photos and the brilliant ideas that you think of. Please send your photos to year2@prioryschool.com and we will amaze the rest of the school with our fantastic display!

In Maths we have been continued to explore place value and investigate how many ways we can split a 2-digit number. We have also learnt how to use a ruler to measure in metres.

In PE we have started athletics and it was lovely to see the children using the field.

Activity to try at home

What can you find in your house that is shorter than 1m, about 1m and longer than 1m?

We hope you have a great bank holiday weekend and look forward to seeing your reading photos.

The Year 2 Team
