Have your say

We at Special Voices are always collecting feedback of your views & experiences on services that you use that is what we are here for, parent/carers. We have surveys open all the time as there is so much, we need to say & really hope that you can spare the time to complete any of them anonymously on your experiences of services in Slough, education, health & social care. It is important for us to collect your feedback & it is available on our website: www.specialvoices.co.uk Special Voices Facebook page (the one with our logo) If you prefer to receive a copy by post, email or complete it over the telephone then please contact us on: 07990693439 or 07487524361

Thanking you in advance
