Special Voices are a group of parent/carers of children, young people & adults with disabilities/additional needs & is the parent/carers forum for Slough. We are all volunteers working in partnership with the Slough Children First, Local Authority, CCG's and voluntary organisations to help shape and develop future services in Slough through participation and co-production with your views & experiences that you share with us, with these we hope to shape services for all children/young people/adults with additional needs in Slough, together.

We at Special Voices have made plans for when restrictions are lifted & details of our events are on the back of this newsletter, our website or Facebook page with many more to follow in coming months we hope.

We look forward to welcoming you all back to our events in person & would like to take this opportunity to thank you for your continued attendance, support & survey filling during what has been a difficult year & more for all of us, together we have made it this far & hope to see it through to the end???

Our virtual coffee breaks held weekly on Zoom are soon to come to an end, last one on 25<sup>th</sup> June (if restrictions are lifted) to be replaced by our coffee days in person @ Cippenham Baptist Church Hall beginning in July, if we can all remember how they used to be!!! & we look forward to welcoming you
