Statutory Consultation on Admissions Arrangements

Dear Parents, Carers and Members of the Community,

As a foundation primary school, Priory School is required to undertake a statutory consultation on our admissions arrangements at least every seven years. Our last consultation took place seven years ago, and we are now reviewing our arrangements to ensure they remain clear, fair, and fully compliant with the School Admissions Code and other statutory guidance.

Why We Are Consulting

This consultation provides an important opportunity for parents, carers, the Local Authority, and members of our wider community to review and comment on our admissions arrangements. Your feedback plays a valuable role in helping us ensure our policy continues to meet the needs of our school and local community.

Proposed Changes

We are not proposing any changes to our current admissions arrangements. The policy remains unchanged for the forthcoming admissions cycle.

The full admissions arrangements are available to view at the school office and can also be downloaded from our website: [Priory School - Admissions](#).

How to Respond

We welcome all comments and feedback. Responses can be submitted by:

- **Email:** admissions@prioryschool.com
- **Post:** Priory School, Orchard Avenue, Slough, SL1 6HE

Please ensure that your response reaches us by 21st January 2026 as we are unable to consider submissions received after this date.

Your views are important to us, and we appreciate you taking the time to participate in this statutory consultation.

Your sincerely

Hannah Foster
Headteacher
