Statutory Assessments

Multiplication tables check (MTC)

- Completed online in school during June.
- Please avoid taking your child out of school during this time and in the weeks leading up to the test.
- The children will be tested to determine whether they can recall **all of their times tables** fluently, which is essential for future success in mathematics.
- Additional information for parents can be found on the government website and will be shared on Seesaw.

Homework – Core Skills

- Children should read every day for at least 20 minutes and **record this in their Reading Record. We will check this on a Friday.**
- Times Tables Rockstars – each child will be given their login to complete this online.
- Other great core skills are:
 - being able to tell the time
 - being able to join up handwriting
 - being able to tie up shoe laces

How can you help...?

- Encourage your child to read **every** day. Record what they have read in their Reading Record and make sure your child brings their Reading Record into school every day.
- Encourage your child to read from a wide range of genre – fiction, non fiction, newspapers, the internet, comics, poems, leaflets.
- Talk to your child about what they are reading.
- Share a story with your child.

'Reading for pleasure is the single biggest indicator of a child's future success.'

How can you help?

- Encourage your child to practise their times tables every day – Times Tables Rock Stars – year group battles will be set each month to encourage participation.
- Make sure your child has the correct school uniform and wears their PE uniform to school on Monday.
- Library books can be renewed each Tuesday.
- Please remember we are a nut free school.
