Year 4 Educational Robotic Workshop Trip to Legoland

Dear Parents/Carers,

As part of our Computing curriculum, we have arranged an educational visit to Legoland Windsor on **Monday 15th June 2026**. During the day, the children will take part in the workshop Robotics – Primary Edition. During the workshop, children will build and program their own interactive model and cover topics including: coding, repetition in programs, debugging, inputs and outputs and algorithms. Children will also have the opportunity to go on chosen rides time permitting. The children will be leaving by coach at 9.30am and will return to Priory School for 5pm.

Lunch will be provided by the school.

We are asking parents for a voluntary donation of £31.00, however if sufficient funds are not received we may have to cancel this trip. Please go to ARBOR to pay online by 30th April 2026. We have set this payment up as a reducing balance so that you can pay in installments as long as the total is received by the 30th April 2026.

Permission for trips was already given as part of the parent-school agreement signed at the start of term. Please let your child's class teacher know if you would prefer that your child does not take part in this trip.

Yours faithfully,

Mrs E Reith
Year 4 Leader

The school will not be held liable for any delays caused by traffic, weather etc. this list is not exhaustive. School trips are covered by Priory insurance policy. Staff are briefed beforehand.
