It has been a strange end to the week. We have missed you all and hope to see you back in nursery very soon.

### Learning

#### Personal, Social & Emotional Development

We have been talking about how to make sure our Nursery is a happy place for everyone to learn in. This week we have been focusing on 'talking to a teacher if we are upset or hurt'

#### Communication & Language Development

We have been reading the story of 'Barry the Fish with Fingers' and found out that everyone has something that they are good at. We took it in turns to tell our friends about all the things that we were proud that we could do.

#### Physical Development

We have been looking at different patterns in our maths work and sorting out items with stripes and spots. We have been drawing stripes on our tiger shapes starting at the top and drawing to the bottom which has helped our hand-eye-co-ordination.

Child of the week: 😊 for trying really hard to listen to their teachers when they are working in their key person group.

Song of the week: **This is the Way we brush our teeth**
