

Peek at the Week

Nursery– 12th January 2024

Learning

Personal, Social & Emotional Development

We have been welcoming our new children to Nursery this week. We have been sharing with them how we make sure that our nursery is a happy place for everyone to learn in. This week we have been focusing on using our 'kind hands'

Communication & Language Development

We have been finding different words to describe the frost and ice outside.

Physical Development

We have been developing our balancing skills outside on the activity trail as we jump from one thing to another.

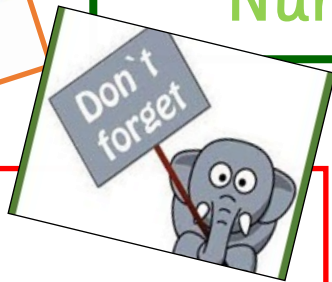

We have been developing our fine motor skills when we are carefully building in the construction area.

Happy New Year

and welcome back after the Christmas break. It has been lovely meeting all our new children and parents and we have been very impressed with how quickly children have settled into their new nursery. Thank you to parents for their support over what can sometimes be an emotional time for all involved. With the cold weather we have been having, please remember that your child needs a warm and waterproof coat with a hood. Regardless of the weather, we encourage outside learning in our wonderful garden.

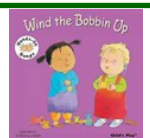

It has been fantastic having a little bit of sunshine to warm us up in the garden and we have been busy exploring outside and trying new toys.

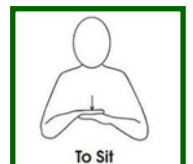

Child of the week: 😊 for settling back into nursery really well and being a great role model to our new friends.

Nursery rhyme of the week: 'Wind the bobbin up'

<https://www.youtube.com/watch?v=WwdxJnAA6CI> Please encourage your child to sing along.

Next Week's Word of the Week: **sitting**
