

Peek at the Week

Nursery 22nd March 2024

Our Learning

Personal, Social & Emotional Development

We have been reminding the children about the importance of 'listening' to each other and to their teachers in class.

Communication & Language Development

We have been continuing to enjoy 'We're Going on a Bear Hunt'. By retelling the story and acting it out we are learning an important skill for building reading comprehension and writing skills in young children. Children need to develop story telling skills in a spoken format before they can apply them to a written format - to understand stories and to write stories.

Physical Development

This week we have been looking at which healthy foods are best for our growing bodies.

We sorted different foods into healthy and not so healthy food types.

Monday 25th: wear own clothes to celebrate the festival of Holi.

End of term

Nursery will finish the term on:

Wednesday 27th March. (Usual session times)

First day back after Easter is **Tuesday 16th April 2024**

(this is to allow staff to meet with the new children and their parents who will be starting nursery after the Easter break)

Early Language Workshops

The Early Years Speech & Language Therapy Team will be visiting sites across Berkshire on the Health Bus. Our Speech & Language Therapists will be delivering workshops live between 10.30am – 11.30am and be available for any questions before and after.

Child of the week: **Musa** for always being a kind and caring friend and being a role model in class in all that he does.

Please share this video and encourage your child to sing along. 'There's a worm at the bottom of the garden' <https://youtu.be/vdWsez-CD5o>

Next Week's Sign of the Week: **'balancing'**
