

Peek at the Week

Nursery – 22nd September 2023

It has been so lovely to have met you all and we look forward to working with you in supporting your child this year. Peek at the week aims to inform you of what areas of learning we have been looking at during the week in our continuous provision and carpet times. It also will have some helpful reminders and important dates.

Please remember to bring a waterproof coat with a hood each day to nursery. The day may start off as being sunny but we all know how quickly the weather can change! We want the children to be able to choose to explore outside whatever the weather.

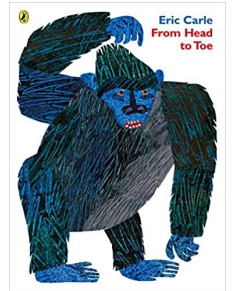

Our Learning

Personal, Social & Emotional Development

We have been settling in children and helping them to learn new nursery routines such as washing hands, lining up, sitting on the carpet etc. Next week we will be working together in our key person groups to create our own class rules for expected behaviour.

Communication & Language Development

We have been sharing lots of stories and rhymes and next week we will start to listen to our new book 'From head to Toe' by Eric Carle.

We have been encouraging the children to talk about the activities they have chosen to do in Nursery.

Physical Development

We have been exploring our new outside area, having fun running up and down the hill and practicing our balancing.

Child of the week:

Umaiza for being an amazing role model for our new children, confidently helping them and making sure that they are being included in play.

Nursery rhyme of the week: Twinkle, Twinkle Little Star.

Please share this video with your child and encourage them to sing along. [Twinkle Twinkle Little Star | CoComelon](#)
