

Peek at the Week

Nursery 26th April 2024

Our Learning

Personal, Social & Emotional Development

This week we have been talking about our families. We have been trying to remember to talk in full sentences when we have been telling our friends. It would be lovely if you could email some pictures of your families to nursery@priorschool.com for the children to share with their friends.

Communication & Language Development

We have been listening to the sounds around us and tuning into the different sounds we hear. As part of our phonic work we have been playing a listening game where we have had to guess what each sound is. 

Physical Development

We have been practicing mark making: drawing lines from top to bottom. This will help us as we learn to form the letter shapes which always start from the top.

Monday 6th May is a bank holiday. There will be no nursery or school on this day.

Thank you for all your support in reminding the children about the nursery behaviour expectations. Children have been trying really hard to show their new friends how to behave in class.

We have created a new 'sensory corner' in our class which helps the children with their sensory development, encourages exploration and curiosity, promotes thinking skills and helps the development of their social and emotional skills.

 Child of the week: **Alice** for being kind and caring and looking after our new friends as they settle into our class.

Song of the Week: 'Mary, Mary, quite contrary'

<https://www.youtube.com/watch?v=GUBJpJISeV8>

Next Week's Sign of the Week: '**flower**'
