Our Learning

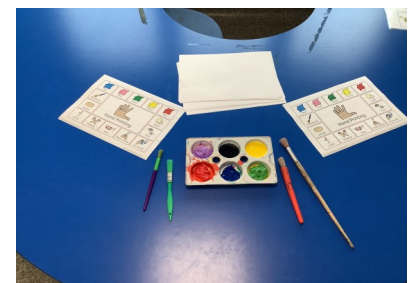

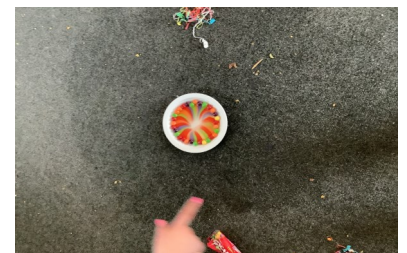

Our information for Maths and English is in this weeks news-letter.

Topic– Amazing animals

In Science this week the children have been sorting animals into their world habitats and labelling animals on what they need in the wild to survive.

This week in PHSRE, the children have been learning how to keep clean. They have been using visuals to clean and wash dolls hair.

In Festivals and celebrations/ Art, the children have been learning about the festival Holi. They have been Hand Printing with paints and decorating cakes with different coloured icing. They have used communication boards to request what colours wanted
