

Peek at the Week

Year 2– 18th November

Our Learning

The children have had a busy week this week. They have used their knowledge of cities and rainforests to create their own poems. It was wonderful to hear the children's creative ideas when they performed their poems. The children are being more careful to write lower case letters in their writing rather than capitals letters but this is something that it would be really good for them to continue practising at home.

In maths, the children have been looking at number bonds to 20 this week and then next week we will be moving on to adding a two digit number and one digit number on a number line.

This week, the children have been learning all about life cycles, in lots of different ways including: researching life cycles on the tablets, reading about them and understanding pictures for different life cycles.

Next week, we will be moving on to looking at what makes a healthy lifestyle.

Have a lovely weekend.

The Year 2 Team.

Important Dates / Reminders

Children should complete one piece of homework each week from their new Autumn 2 Homework Menu.

Spelling test is on a Friday.

Please remember that children need to wear P.E uniform every Wednesday and if they are doing a club after school then they need to bring their P.E uniform in a named bag on the day of the club.

Children should only have water in their water bottle for school.

Star of the week

2Hawking: Zainab

2Newton: Hamza

2Franklin: George

Word of the week: life cycle- the different stages of life for a living thing.
