- **Sibling photos - 26th September 2023.**
- **Whole school photos—27th September 2023**

### English

This week, we used iPads to research beetles and we wrote our own non-chronological reports about them. The children decided what subheadings their non-chronological reports would contain and wrote, then edited, their report with useful and informative facts about beetles.

They enjoyed sharing fascinating facts with the rest of the class.

### Geography

We have concluded our geography unit by continuing to learn about biomes and different world climates. We then looked at similarities and differences between the UK and Amazon rainforest.

### Music

We ended our unit of music lessons today by performing the children's written musical story of Theseus and the Minotaur. Each class used a range of percussion instruments to bring their narrative to life.
