

Peek at the Week

Year 3 – 24th March 2023

Important Dates / Reminders

- **Priory House Egg hunt–30th March.** A house competition to celebrate the festival of Easter.
- **Talent show–31st March.** The acts going forward in year 3 to the talent show have now started their formal rehearsals. We cannot wait to see the year 3 children perform in the talent show this Friday.
- **Early finish Friday 31st March–** please ensure your child is collected at the earlier time of **12pm** next Friday.
- **Inset day– Monday 17th April–**children are not in school this day.
- **Start of term–Tuesday 18th April.** Children to attend school at the normal time. We will have PE this day so children should wear PE uniform.

Hotshots Football

Our Learning

English

This week the children have been busy planning their own pourquoi stories. Everyone has planned a unique story about how an animal developed a particular physical characteristic. Ask your child what their story is about!

Next week, the children will be designing and creating a book to showcase their stories and illustrations.

Maths

This week, our brilliant mathematicians have measured mass (grams and kilograms), compared, added and subtracted (in grams and kilograms). They have just started measuring volume and capacity in millilitres.

Next week, the children will be measuring capacity and volume in litres and millilitres, comparing equivalent capacities and volumes (litres and millilitres), comparing capacity and volume with a final lesson on adding and subtracting capacity and volume.

Art

The children have now completed their unit on collage and their art work is amazing! They created a collage using textured surfaces. Please take a look at these. How impressive are they!
