Our Learning

- This week**, we applied skills learnt in art to a drawing of the school grounds. We also began our unit on Sikhism where we explored links between this religion and others studied this year.
- In maths**, we started our new topic of decimals, and learnt new strategies for adding and subtracting decimals across 1.
- In English**, we recapped our Reading Skills with a focus on stamina and completed some mini assessments during the Y6's SATs week.
- In PSHRE**, we are focusing on a variety of aspects aiming at online gaming, communities and building relationships safely.
- Next week**, we will start our Computing unit where we will use the computer programme Scratch to create quizzes.
- In maths**, we will continue our topic in decimals, and learn new strategies in adding and subtracting decimals with different numbers of decimal places.
- In English**, we will be referring back to previous persuasive writing and applying these skills to a letter in role as Isambard Brunel.

We all took part in Mental Health Awareness Week and wore green to school on Friday.
