Headteacher's News

A week of learning and opportunity

As part of our ongoing monitoring this week, members of SLT have visited a number of English and music lessons. It has been lovely to see children so engaged in their learning, sharing their ideas confidently and responding enthusiastically to their teachers.

Years 4 and 5 also enjoyed a very special musical experience when we welcomed visiting musicians who were finalists in the Windsor Music Festival. The children loved listening to them perform and asked some excellent, thoughtful questions. It was a wonderful opportunity for our pupils to experience live music and meet talented musicians.

The excitement continues on Friday, when Year 4 will take part in their Roman Day. We are looking forward to seeing the children bring their learning to life and immerse themselves in all things Roman!

Priory Parent Partnership

We are pleased to introduce the new Priory Parent Partnership, a flexible way for parents and carers to share their time, skills, interests and experience with the school.

Parents and carers can register an interest in supporting events, fundraising, reading, gardening, creative projects, trips or other activities. Registering does not commit you to a regular role; it simply allows us to contact you when a suitable opportunity arises.

Please visit the Priory Parent Partnership page on our website to find out more and complete the registration form.

Keeping children safe following an injury

If your child comes to school with a broken bone or another significant injury, please bring them to the school office before taking them to their classroom.

We need to understand what support or adaptations your child may require and complete an appropriate risk assessment before they join their class. Please also ensure that the school knows if an injury happened on the school site so that we can review what occurred and take any necessary action to prevent another child being hurt.

Following a recent incident, children must not climb or walk on the wall beside the route to pedestrian gate 4. Please reinforce this with your child.

Reminder: please keep children off the wall

Please continue to ensure that children do not walk, sit or play on the wall alongside the driveway by the nursery garden. Following a recent fall, the wall remains completely out of bounds. We particularly need families' support at drop-off and collection, when children are moving around the site under the supervision of their parents and carers.

Please reinforce this expectation with your child and stop them from climbing onto the wall. Thank you for helping us keep everyone safe.

Macmillan Coffee Morning

Thank you to everyone who supported our Macmillan Coffee Morning. Our catering team provided a wonderful selection of sweet treats, and the generosity of our community helped us raise an impressive £329, exceeding our target. Thank you to everyone who baked, bought and donated.

Parents' evenings

Information about the forthcoming parents' evenings has been sent to families, and approximately 50% of parents have already responded.
If you have not yet booked an appointment, please do so as soon as possible.
Parents' evenings will take place on:

- Monday 12 October, 3:40–7:00pm
- Tuesday 13 October, 3:40–5:30pm

Year 3 Bernie walks

Our Year 3 Bernie walks begin next week. These walks provide valuable opportunities for pupils to learn beyond the classroom and explore their local environment. Further information has been shared directly with Year 3 families.

Looking ahead to Diwali

Our school Diwali event will take place on Monday 9 November. Staff are beginning to make plans, and more information will be shared with families nearer the time.

Dates for your diary

- Monday 5 October: World Teachers' Day
- Tuesday 6 October: Whiteknights KS2 reading audit
- Friday 9 October: Hello Yellow activities for World Mental Health Day
- Monday 12 October: Parents' Evening, 3:40–7:00pm
- Tuesday 13 October: Parents' Evening, 3:40–5:30pm
- Friday 23 October: Non-uniform day for Christmas Fayre donations
- Monday 26–Friday 30 October: Half term
- Monday 9 November: Priory Diwali event

Thank you for your continued support and have a lovely weekend.

Peek at the Week
Nursery– 2nd October 2026

Hello Yellow Day

Friday 9th October is Hello Yellow Day (non-uniform)

Please wear something yellow and bring in £1 for the charity Young Minds .

Parents' Evening: 12th / 13th Oct

We look forward to meeting you with you.

Conker Printing.

Learning

Personal, Social & Emotional Development

We have been talking about how to make sure our Nursery is a happy place for everyone to learn in. This week we have been focusing on **'Listening to each other and to our teachers'**

Communication & Language Development

We have been learning new songs and rhymes this week linked to our story 'From Head to Toe'. Can you remember all the different animals and the actions they do in the story?

Physical Development

We have been developing our core strength whilst being outside in the garden. Building strength in our arms and shoulders will help us to eventually develop the precise fine motor control which we will need for writing.

Child of the week: Saleha for coming happily into school each day, making new friends and being ready to learn.

Nursery rhyme of the week: Head, shoulders, knees and toes.

Please share this video with your child and encourage them to sing along.

https://youtu.be/4U0nRUVgCf0

Contact us: nursery@prioryschool.com 01628 600300

Peek at the Week
Reception – 2nd October 2026

Important Dates / Reminders

- Please make sure you send in a named water bottle and uniform is named.
- PE on Tuesday's: Please send your child into school in PE kit.
- Please make sure you don't order your child an orange lunch as they are for KS2 children.
- Please do not give your child a lunch box as we provide hot lunches.

Star of the Week Class Bear

This week we will be introducing our class bear. The star of the week every week will bring this bear home for the weekend with a book. Please fill out a page with pictures or drawings with any adventures you take the bear on and return them to us on Monday!

Homework

- Please read with your child for at least 15 minutes a day. You can read any book of your choosing, however reading books will be issued next week.
- Could we please request a picture of your child with family or pets for our classrooms, if you are happy sharing these, as our first topic is 'All about me.' These can be either printed or sent to our reception mailbox. Thank you to everyone who has!

Our Learning - This week:

It has been another lovely week and the children have had so much fun! We have carried on with our phonics and maths but have introduced some reading and drawing club into our busy days!

Have a look at some of our amazing drawing club pieces!

Communication and Language Development:

This week we have carried on learning our first phonics sounds. The children have learnt s,a,t ,p,i,n,m,d,g,o,c and k. We have been superstars at our 3-letter blending and we have been introduced to our first tricky word 'is'.

Maths:

In maths, we have been learning how to compare amounts. We have looked at the sizes, amounts, and mass of different things around our classroom and compared them.
Key Vocabulary: heavier, lighter, more, fewer, bigger, smaller

Personal, Social and Emotional Development:

This week the children have been introduced to drawing club. We have been working on drawing the characters and setting from the book 'Not Now Bernard'.

We have also been doing a lot of practice of our fine motor skills on our car track, tracing all our patterns and sounds!

Reception Stars of the Week

R Rupert: Hawwa R Paddington: Jake

Reception song of the week: Calm Body Calm Mind

'Calm Body Calm Mind' Mindfulness Song for Kids 🎵 Netflix Jr. Jams

Peek at the Week
Year 1- 2nd October 2026

Important Dates / Reminders

- Please send book bags in every Wednesday
- PE day - Thursdays
- Parents' Evening – Mon 12th and Tues 13th Oct

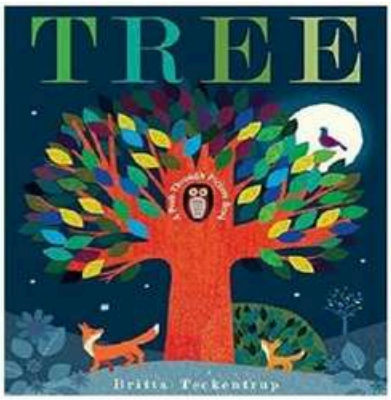

Our Learning

This week:

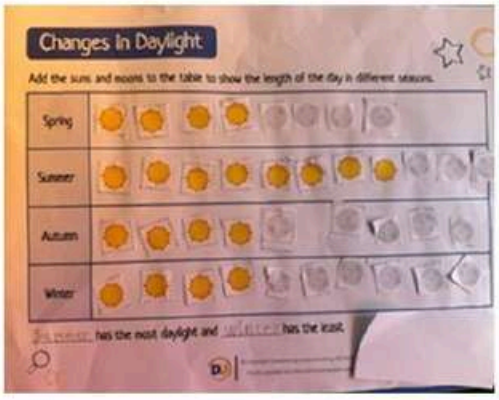

In Maths, we have been learning to compare groups of objects by matching them. We have been using the language "equal to," "more than," and "fewer than" to compare groups of objects.

This week in English, we have started exploring the wonderful book *Tree* by Britta Teckentrup. The story follows an owl as it watches the forest change through the seasons. We had lots of fun acting out the story, using our voices, actions and imaginations to bring the changing seasons to life!

We have been learning about the changes in daylight across the four seasons in Science. Summer has the most daylight and winter has the least.

Star of the week

1 Jeffers- Amna

1 Donaldson- Oakley

Words of the Week: **have like you said**

Contact us: year1@prioryschool.com 01628 600300

Peek at the Week

Year 2– 2nd October, 2026

Important Dates / Reminders

Parents evening – Monday 12th October, 2026
Parents evening – Tuesday 13th October, 2026
End of Term 1 – Friday 23rd October, 2026 (3:15pm)
Start of Term 2 – Monday 2nd November, 2026

Homework

Please read with and to your child every day and also discuss what you are reading. School reading books will be sent home each Thursday.

Spellings will also be sent home each Friday and there will be a spelling quiz the following Friday. Please practice these spellings daily if possible.

Fruit is provided for snack time but the children can also choose to bring in a healthy snack from home.

Don't forget that your child needs to wear the correct PE uniform to school each **Wednesday.**

Please put your child's reading record and reading book in their bag each day.

As the weather is getting cooler and the rain has started to arrive, please can you ensure your child comes to school with a rain coat or jacket as we will be continuing our busy learning outside.

Please can we ask that your child brings in a named water bottle every day. Additionally can we ask all school uniform is named.

Thank you for your support!

Our Learning - This week:

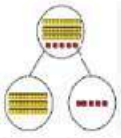

This week, the children have Continued to look at materials in Science. We have talked about why items are made from certain materials according to their properties, for example why is a door made from wood and not wool?

In English, we have begun to plan our own diary entries! In our plan we have decided we need to include the introduction – Dear Diary, some conjunctions to connect our sentences such as 'and' or 'because', and of course some marvelous punctuation, like capital letters and exclamation marks!

Date and introduction	30.9.26 Hello Diary, Dear Diary, Hi Diary,	Dear Diary,
Conjunctions		and, because
Non-negotiables		?! .

In math's we have been using our present knowledge of part – whole models and replacing the tens and ones with numerals and their values. We have begun to write addition number sentences using the part – whole model to guide us.

30 + 5 = 35

In the garden the children have been building houses using various shapes as part of our pre-teach for our new math's topic. They have also use the small world to build a replica model of Burnham Village, including a train station!

Next week, we will be completing our diary entries in English! In math's we will be beginning our new topic – Shape!

Year 2 Stars of the Week:

2 Newton: Iyla - Ava 2 Franklin: A.

Year 3 – 2nd October 2026

Important Dates / Reminders

09.10.26 Hello Yellow–non uniform day

12.10.26/13.10/26 Parents Evening

Homework

Please read with your child for at least 15 minutes every day and record this in their reading record. Ideas for reading at home can include reading a library book, a book from school or home, reading a bedtime story or following a recipe among other opportunities!

Please help your child to practise their 2x, 3x, 4x, 5x and 10x tables.

Don't forget that your child needs to wear the correct PE uniform to school each **Wednesday.**

Only fruit is allowed for a break time snack.

We are a nut-free school.

Our Learning

This week, we have begun to write a story inspired by the text 'Stone Age Boy'. In Maths, we have been practising how to add and subtract 1, 10 and 100 to a number and applying number bonds to 10 to help with calculation. We have continued to learn more about rocks and soil in science and have explored how fossils are formed.

Next week, we will be taking part in some online workshops delivered by authors as part of the Henley Literary Festival.

In French lessons, we are learning how to count up to 20.

In Maths, we will explore how to complete calculations where we add and subtract 1's across a 10 and 10 across 100.

09.10.26 Hello Yellow–non uniform day

12.10.26/13.10/26 Parents Evening

Homework

Please read with your child or encourage them to read independently for at least 20 minutes every day and record this in their reading record. Ideas for reading at home can include reading a library book, a book from school or home, reading a bedtime story or following a recipe among other opportunities!

Children should practice their times tables every day. Times Tables Rock Stars Logins are stuck in the children's reading records.

Don't forget that your child needs to wear the correct PE uniform to school each **Monday.**

Only fruit is allowed for a break time snack.

Our Learning

This week, we created our own mosaic tile designs in art inspired by our Roman topic.

In Maths, we explored how to round numbers to the 10, 100 and 1000.

Today, we had great fun taking part in an immersive Roman Day where we had the opportunity to take part in some activities linked to our history and art units. These included making a Roman shield, playing a Roman board game and carving a soap sculpture. Check SEESAW as we will upload some photographs of our day.

Next week, we will be taking part in some online workshops delivered by authors as part of the Henley Literary Festival.

In geography lessons, we will begin a unit of work exploring food and farming. We will compare how different crops are grown in the UK and Italy.

In Maths lessons, we will be practising column addition and subtraction.

Year 5 Peek at the Week
2nd October 2026

Important Dates / Reminders

Friday 9th October – Hello Yellow Day – Wear something Yellow

Monday 12th + Tuesday 13th October – Parents Evening.

Monday 19th October–Taplow Court Visit

Tuesday 21st and Wednesday 22nd–Harvest Collection

Remember to read at least three times a week! Practise your times tables as

We had a violinist come and visit us and Year 5 were definitely in awe of her talent. We wish her luck for her competition at the Windsor Festival International String Competition.

Our Learning

This week, we began our History unit on WW2. Here, we will explore the role of land girls, evacuees and air raid wardens while analysing artefacts from the time to understand their uses.

In maths, we applied our place value knowledge to rounding increasingly large amounts.

In English, we completed our Rose Blanche narrative and began our work on our new text, Goodnight Mr Tom.

Next week, we will start our RE unit and learn about the role of Jewish sacred texts and traditions.

In maths, we will move onto our next unit on addition and subtraction using formal methods (column addition and subtraction).

In English, we will continue our new text 'Good night Mr Tom' about the life of an evacuee during WW2 and focusing on reading skills, such as making predictions and drawing inferences from the text.

12.10.26 – 13.10.26 – Parents Evening

21.10.26 – Non-School Uniform Day

23.10.26 - Hogwarts Day

Wednesdays: Spelling quiz. Homework due:

- Reading
- Spellings
- Times tables practice

Thursdays: Wear the correct PE uniform to school. **Please bring in a water bottle.**

Y6 DT: Wand-making!

Our Learning

This week, in DT, we planned and designed our own magic wands inspired by Harry Potter, and chose which magical materials we will make them out of. We will then use our creations on Hogwarts Day!

In English, we continued on Harry's journey and had the chance to work in groups to create an explanation text on the game of Quidditch. We also created our own beast inspired by mythical beasts and legends!

In maths, we continued to explore the current topic by improving our knowledge of prime, square and cube numbers followed by multiplication by 2-digit numbers.

Next week, in science, we will begin a new topic on light. We will learn about how light travels and how our eyes see light. We will investigate how shadows are formed and how we can change the shape and size of them.

In English, we will finish our Harry Potter unit by writing our own narrative part of the story, incorporating all the incredible vocabulary we have collected over the last several weeks.

In maths, we will continue to improve our understanding of multiplication by 2-digit numbers and use this knowledge to solve worded problems. Then, we will begin to explore short division.

PSHRE Focus: **Being Me in My World**. In PSHRE this term, we will learn that our attitudes and actions make a difference to our class team. We will acknowledge who is in our school community, the roles they play and how we fit in. We will understand that our actions affect ourselves and others. We will learn to care about other people's feelings by trying to empathise with them.

Planet Earth

Peek of the Week

The Orchard

Week of 28/09/2026

Important Dates

Apple Class Community visits

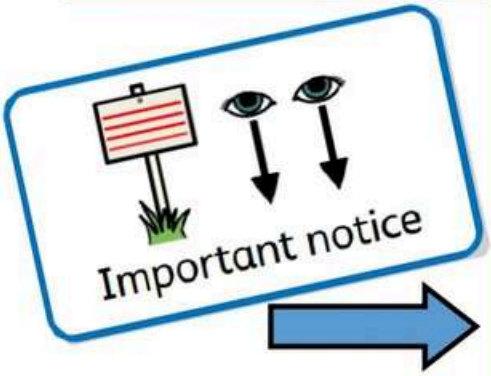

Every Monday morning–please remember £2 for the café!

Pear Class TVAP:

Every Wednesday

Berry class Swimming:

Every Friday–please remember swimming clothes and towels!

Another busy and exciting week of hands-on learning in the Orchard!

This week, the children have continued their journey into space and the Solar System. We have explored the planets through lots of sensory and practical experiences, with a special focus on Uranus and Neptune. The children experienced cold, icy textures, wind and movement as we explored what these planets are like. We also went on our very own space adventure, travelling to different planets, using actions and key words to describe what we could see and experience. Our week finished with an exciting rocket launch, counting down together – 5, 4, 3, 2, 1... BLAST OFF!

In maths, we have been learning through The Very Hungry Caterpillar. The children have explored counting, number, patterns and place value at their individual levels. We have built number caterpillars, fed our caterpillars the correct amounts of fruit, created colourful repeating patterns and used lots of practical resources including Numicon, cubes, pompoms and natural materials.

In Geography, we have been learning about important landmarks in Burnham and Slough, using a practical model village to help the children recognise familiar places and features in their local area.

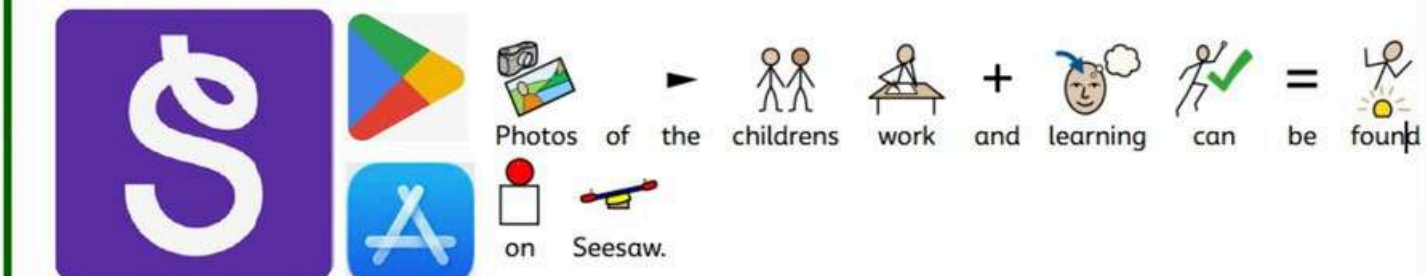

In Science, we explored our natural environment, using materials such as soil, sand, feathers and pebbles. The children enjoyed finding, sorting and describing natural materials and noticing some of the changes that happen during Autumn.

It has been another wonderful week of exploring, communicating, moving and learning through play!

Important Reminders

Next Friday is Yellow Day and a non-uniform day! Please send your child to school wearing something yellow.

As the mornings are becoming a little chillier, please also remember to send your child to school with a coat or jumper to help keep them warm.

Stars of the week

Plum class: Shivraj for saying his days of the week during morning routine.

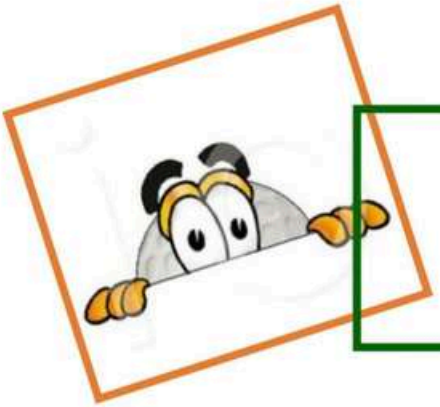

Cherry class: Zayn for engaging in lessons.

Apple class: Jawad for engaging in all his phonics activities.

Pear class: Martina for recognising and naming all the planets.

Berry class: Manraj for great work in Maths in Year 4.

Contact us: orchard@prioryschool.com 01628 600300

Woodlands Peek at the week
Friday 2nd October 2026

This week our article focusses on Woodland Badgers session. This session is for our Year 3 and 4 learners who access woodlands in the morning.

Important Dates / Reminders

09.10.26 Hello Yellow–non uniform day

12.10.26/13.10/26 Parents Evening

Homework

In continuous provision this week, the children have loved having the opportunity to play with cars. They spent time building ramps using a range of outdoor play equipment and then experimented to see which car travelled down their ramp the fastest!

Our Learning

This week in Woodland Badgers, we continued reading our class text, The Colour Monster. We focused on the emotions of sadness and anger. We discussed the different things that can make us feel these emotions and suggested strategies to the Colour Monster that could help him to feel happy again!

The children have also spent time writing perfect sentences, focusing on their letter formation and using finger spaces between words.

In maths this week, we have been focusing on the place value of numbers within 20. The children have shown how confident they have become when counting forwards and backwards within 20. This week, they were introduced to the key vocabulary 'tens' and 'ones' and spent time demonstrating their understanding by building numbers using Base 10.

Star of the week: Tushika

For trying her best when practising her phonics sounds!

Contact us through your child's year group email inbox.

01628 600300

Music News

Vibrant Violinists!
On Monday, Y5 were so lucky to be visited by Eva Lucia, a violinist from Vienna in Austria. Having begun learning at the age of 6, she practises for an average of 6 hours every day! Y5 were captivated by Eva's incredible playing and enjoyed finding out more about stringed instruments and the "ingredients" of a piece of music. Lots of children took the opportunity to ask some excellent questions to find out more about Eva and the beautiful music she loves to play.

Y4 also had a wonderful visit from 18 year old Lithuanian violinist Rokas Dirzys, on Tuesday. Even though he is still at high school, he has performed as a soloist in many different countries, and last year was named the "Future of Lithuania", similar to our "Young Musician of the Year"! Year 4 were extremely interested in finding out all about Rokas and his violin, and loved listening to him play a wide variety of violin music, from a dramatic modern piece, to an exciting Mozart sonata, and a beautiful piece of Mendelssohn.

Eva and Rokas are among only 12 semi-finalists in this year's Windsor Festival International String Competition, selected out of more than 100 applications from all over the world, showing what their dedication and determination can achieve. What an amazing opportunity it has been for our children to meet such wonderful young musicians!

A huge thank you to the Windsor Festival for arranging everything, and to the Royal Warrant Holders Association, who are kindly sponsoring all of the school visits.

You can watch Eva's semifinal performance here:
https://www.youtube.com/live/SNZ0JjtKDGA?si=hGUCyGo0LKDRC7M1&t=7215
And Rokas's here:
https://www.youtube.com/live/SNZ0JjtKDGA?si=XBXQsUVJchkXIXZt&t=10658

Rokas was successful in reaching the final! This will be livestreamed on Friday evening on the Windsor Festival Youtube channel starting at 7.30pm - do tune in to listen!

10 wellbeing tips

The world can feel a lot sometimes, so it's important to prioritise looking after your wellbeing.

Here are 10 tips we'd recommend trying:

Spend time with your community – whether that is family, friends, chosen family or neighbours, dedicate time to enjoy with your community. If you're looking for a new community, you can find local groups online or in your local community hubs such as sports centres, community centres, religious spaces or schools.

Go phone-free – set time where you won't use your phone to help break up your screen time. Try using your phone's Focus Mode to avoid notification distractions. Or if this feels undoable, you could try a social media detox. There are app restriction settings on your phone that can help you do this.

Curate your online space – unfollow accounts that don't bring you joy and follow more that do. Some social media platforms also allow you to limit posts with certain phrases or words to help make your online space feel safer.

Do things you enjoy – set time aside that's just for you. It's good for you to spend doing your hobbies, being creative, relaxing and having fun!

Stay informed mindfully – the news can feel overwhelming at times, so limit or turn off notifications for news apps, or try following positive news sites online or on social media to see the positive things in the world.

Share how you're feeling – speak with someone you trust about how you're feeling. It can help to share your feelings aloud, whether it's for a listening ear or some advice.

Embrace nature – Whether it's a walk in the park, sitting on your balcony or spending time in the garden, fresh air will always be a good idea.

Be kind to yourself – try not to put pressure on yourself to always feel positive or productive, sometimes we just need to celebrate the small wins and get through the day.

Create an ergonomic workspace – if you work from a computer or laptop, create a set up that'll look after your body and mind to prevent physical strain, and clutter-free to help you avoid distractions.

Get enough sleep – take time to wind down before you go to sleep and if you can, avoid using your phone or any screens an hour before bed. It can also help to have regular sleep and wake up times. We know life happens and it's not always this simple, but getting enough sleep is always good for your mental wellbeing.

#HelloYellow

M&S | YOUNGMINDS

YoungMinds, registered Charity in England (1016968) and Scotland (SC039700)

#HelloYellow

YOUNGMiNDS

Dear parents and carers,

On **Friday 9th October**, our school will be joining thousands across the country to take part in **Hello Yellow** – a special day dedicated to raising awareness of mental health and showing young people they are never alone.

We invite all pupils and staff to **wear something yellow** – it could be a jumper, scarf, hair accessory or even socks – to brighten the day and spark conversations about wellbeing. This event is part of our commitment to creating a supportive environment where mental health is valued and understood. We'll be holding age-appropriate activities in class to encourage kindness, resilience and open discussion.

If you'd like to contribute, donations will be collected on the day and sent to **YoungMinds**, a charity working tirelessly to support children and young people's mental health. Thank you for helping us make this day a positive and uplifting experience for our school community. Together, we can show that no one has to face challenges alone.

Our suggested donation is £1 which can be donated in school or on our JustGiving page:

https://fundraise.youngminds.org.uk/fundraisers/prioryschool/hello-yellow

Finally, YoungMinds have resources for parents and carers to find help and advice, if you're ever concerned about a child or young person – you can find this on their website:

https://www.youngminds.org.uk/parent/

If you have any questions, please let us know.

Kind regards,

Miss S. Jhalli
PSHRE Curriculum Lead

youngminds.org.uk

The Westgate School

#equippedforlife

OPEN DAYS
28th September – 8th October 2026

Dear Parents and Carers

The Westgate School is very pleased to invite you to visit our school between the 28th September and 8th October. We feel that it is very important for you and your child to visit The Westgate School during our working day to help you make key decisions about your child's future education.

This opportunity is open to families with children in Year 6 who are in the process of selecting a secondary school for their child for September 2027. Our students are our best ambassadors for the school and so being able to visit them in lessons and see our school during its working day is a valuable opportunity to help you make this important decision about your child's secondary school education.

We will be hosting two open tour sessions per day between the 28th September and the 8th October and you will be required to prebook your session. As I am sure you will understand, it is a normal working day and so we are limiting the number of families visiting us per session to 10. The maximum number of people per family is three.

Tour timings start promptly at:
9.45am – 10.30am (please arrive at 9.25pm in order to sign in and receive your lanyard)
2.30pm – 3.15pm (please arrive at 2.10pm in order to sign in and receive your lanyard)

Please note that due to ongoing building works in school we have limited space and access to certain areas. We request that no pushchairs are brought onsite. Please also be aware that there will be no car parking available on site, please contact the school should you require disabled access.

Please use this link to make your booking:-

https://www.eventbrite.co.uk/e/year-6-open-days-tickets-1659512389229?aff=oddtdtcreator

We look forward to welcoming you to The Westgate School.

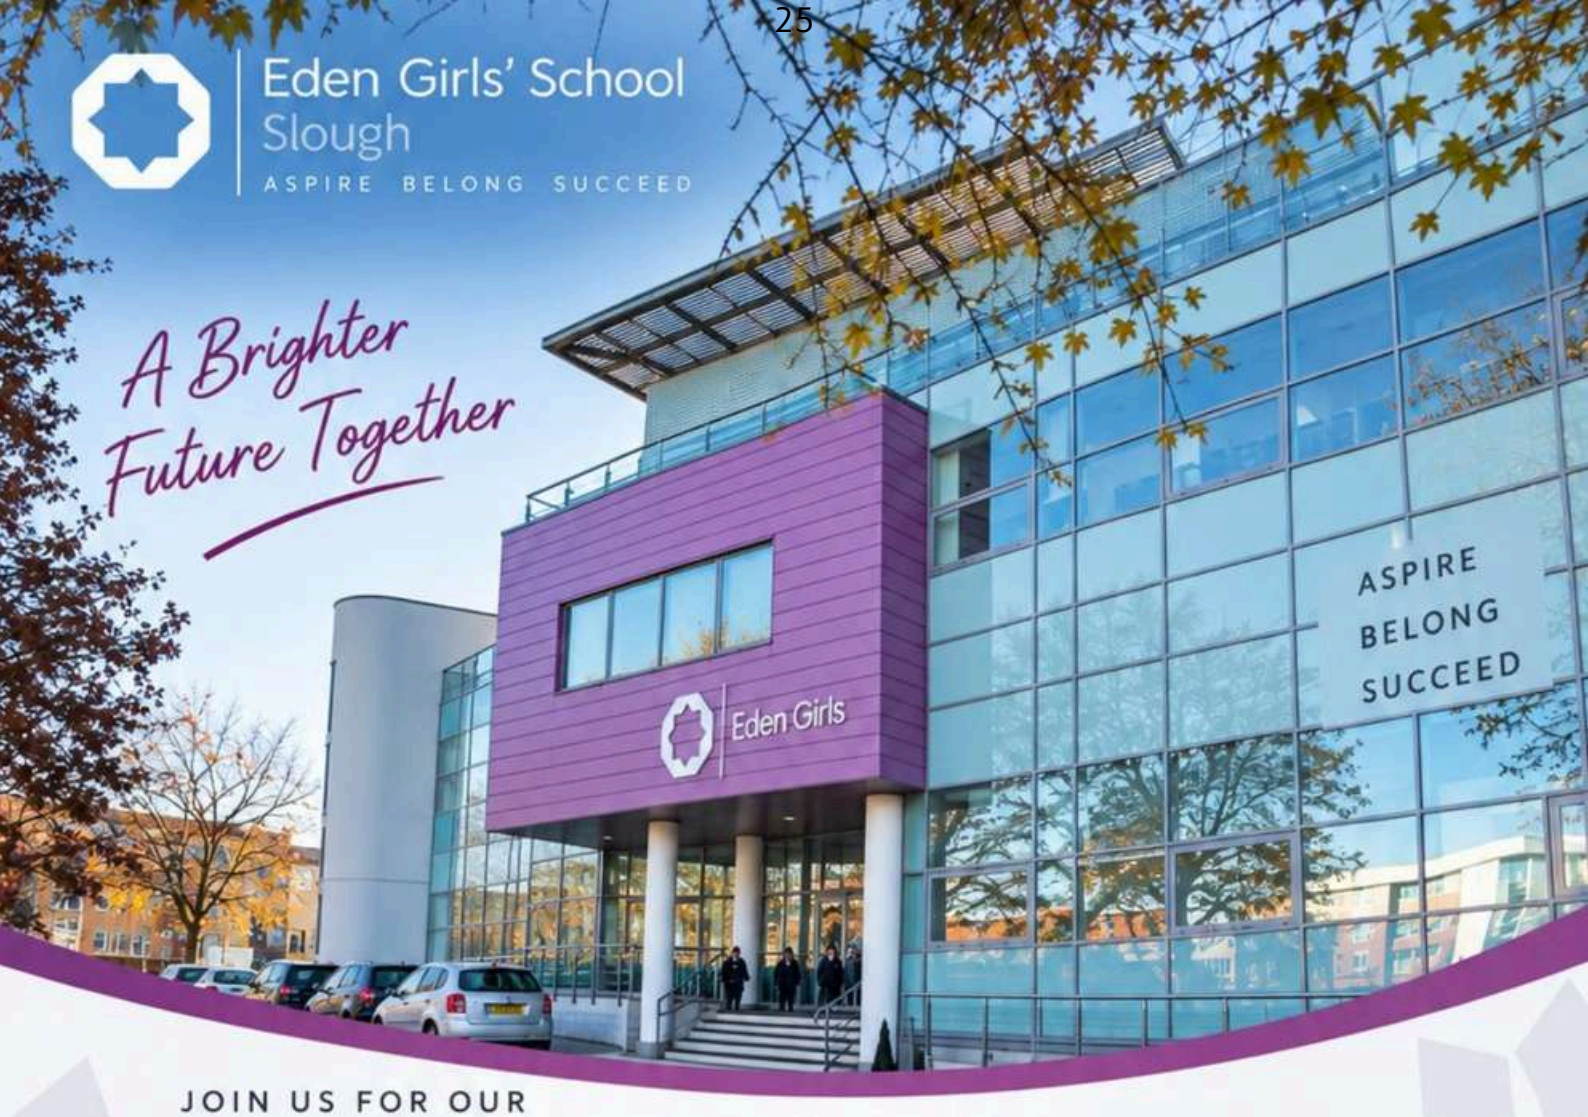

Yours faithfully

MR T CROSSINGHAM
DEPUTY HEAD TEACHER
